

FIX YOUR CYCLE

UK'S MICROMOBILITY PARTNER

WE'RE FUNDRAISING

We're looking for angels and crowd funding enthusiasts to join our mission to expand across the UK with 6 more workshops, retraining and re-employing more ex-offenders through our social enterprise arm, Recycle Your Cycle, and helping the UK achieve its decarbonisation goals for 2030, by keeping cars off roads.

£350K in exchange of 10% equity for expansion of our business for the next 18 months.

OUR BUSINESS

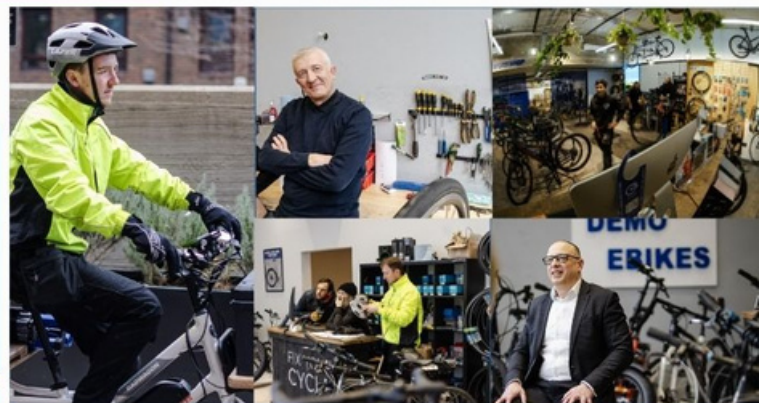

- ARR - Average of £323,715
- D2C Customer Base of 11,000+
- Well Positioned in the UK micromobility Repairs & Services Market - **£1.3 billion**

- 6 More Workshops Across the UK
- Team Expansion - 10 more mobile mechanics, plus 40 self employed mechanics
- Train & Employ More Offenders & Ex-Offenders

- Future Forecast: Total revenue of above £2.8 million with a gross profit margin of 67% by 2026
- **£3 million pre-money** based on our historic and future financial forecast

ABOUT US

- Senior Leadership Team of 80+ Years of Experience
- 4 Current Workshops - Elephant Park, White City, Wembley & Hackney
- Growing Corporate Partnerships for Last Mile Deliveries across London Businesses
- Over the next three years, we are committed towards:
 1. Reducing cars on British roads
 2. Contributing to UK's Decarbonisation Goals
 3. Expansion of FYC outside London
